Gala Dinner raises over £11,300 for MK Snap

In October we hosted our annual Gala dinner at the Woburn Sculpture gallery. This event is our biggest fundraising night and this year did not disappoint with over 150 guests raising more then £11,300 for MK Snap. The MC for the evening, friend of MK Snap, Freddie Guilmar (Red Thread partnership) led the guests through a night of great food and entertainment which included a performance from our very own Snap choir. They kicked off the night in fine style with renditions of the World Greatest and I'm A Believer. The art gallery showcasing work by our learners completely sold out with the backing of local MP Iain Stewart. Thank you to all the guests who came and were so generous in their donations throughout the night.

Next year MK Snap will be celebrating their 25th Anniversary and we have lots of events planned. These include a exhibition of video & photos over the years, a heritage walk from our old building at Kiln Farm to Walnut Tree, and many many more! Keep up to date with all we have planned on our website and social media platforms. Watch this space!

MK Snap played host to the Chamber of Milton Keynes After Hours event this November. The café was open and provided the 30+ guests with a lovely buffet of sandwiches and cakes, all served by the learners themselves

The MK Snap 2016 Christmas card is now available to buy from our reception. Designed and painted by the learners of MK Snap .

Price: £4 per pack
