TREASURE SEEKERS

Perform on Chrysalis stage

On July 1st The MK Snap Theatre company performed their annual showcase at the Chrysalis theatre to a crowd of family/friends and supporters. The show saw the learners move between different worlds culminating in them finding the treasure to a rousing finale of Take That's 'Shine'. It was a fantastic night of entertainment and brought to an end 6 months of planning & rehearsals. Chief executive Maureen said "It was a truly heart warming and inspiring show from the learners at MK Snap, once again showcasing the enormous talents that exist in the disability sector"

Our New Garden

... the story so far!

Following on from our success in this years ITV Peoples Projects and the winning of nearly £50k, our garden build has started to take shape. It includes a new outdoor classroom, a larger greenhouse and poly tunnel, a new pond area with waterfall and accessible walkways for our wheelchair users. Our head gardener Sue explains "I am so happy that our new garden will allow James and Matthew full access to all areas of the garden including the poly tunnel & greenhouse. We can't wait to get started!"

PRODUCT OF THE MONTH:

We currently have some hanging baskets on sale for only £15 and many other plants from 99p

To relive the night or if you missed it then you can order your show DVDs at reception today for just £5

MK Snap artists Stefan and Alan posed in front of all the art pieces that have been produced over the last year. Join us at MK DAD on July 16th to see our full exhibition
