# MK Snap Celebrates 25 years with a week of special events

MK Snap celebrated its 25th anniversary in style during a very special week in May where the learners, friends, families and supporters of Snap got together to toast this very special year. The exhibition launched with our new timeline telling the story from the very beginning and showing how far we have come. The exhibition also included learner work and photographs across the years. The week also included the official opening of our new garden as well as a corporate evening for supporters from the local business community. Throughout the week the learners took part in various special events including a 90's fashion show, a sports day and a street dance show. The week ended with the 10 and 2.5 mile Heritage walks taking participants from the old building to the new one across the city of MK. We would like to thank everyone who helped celebrate this special time with us. Heres to the next 25!

The learners put on their annual show on June 23rd performing in front of family and friends on the Venue stage. They took the audience on a trip through time, singing, dancing their way back to 1992

If you missed the show or would like to relive it again then you can pre-order a copy of the DVD today at reception for just £7.50

## Watch out for the Snap Dragon!

A Snap Dragon appeared in the grounds of MK Snap during the month of May as our learners worked alongside volunteers from M&S to create this fabulous creature! Please pop by to say hello, he wont bite!
