## MK Snap Chosen as MK Theatre Cinderella's charity partner

In the last edition of the newsletter we let you know about our very exciting panto news and in December lots of plans came together as the cast entered their final week of rehearsals. Firstly we visited the theatre to deliver the shoes which had been generously donated and designed by our learners. The shoes will be on display throughout the panto and were given the approval from the Fairy 'Gok-mother' himself. The photo (left) even made the front page of the MK Citizen on December 7th.

Later in the week we were back at the Theatre, this time to deliver a cake for the cast to enjoy. Created by the catering team and completely edible (including a white chocolate slipper!) the cake was specially designed by the learners. Collecting the cake were the not so ugly sisters who were taken aback by the creation and couldn't wait to tuck in.

Finally we would just like to say thank you to the MK Theatre for choosing us as their charity partner. We are really looking forward to seeing the show ourselves for a very special performance on January 10th. Its going to be amazing!

## Thank You Co-Op

On November 11th we were at Broughton, Grange Farm and Monkston Park Co-op stores to meet the staff and customers who have raised an amazing £3,225.48 for MK Snap over the past few months. We can't thank them enough for their generosity and support during this time

## Sports Minister Visits MK Snap

Back in October we were very lucky to be chosen as one of the organisations that Tracey Crouch, the Parliamentary Under Secretary of State would visit. During her time at MK Snap she got to see and then partake in a Yoga session. She then got a chance to meet with the learners themselves, hear their stories and listen to why they love playing sports.
